

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 2072

IN THE MATTER OF:

Served December 31, 1979

Application of ATWOOD'S TRANSPORT)
LINES, INC., for Authority to)
Increase Fares -- Mt. Vernon and)
Arlington National Cemetery)

Case No. AP-79-20

By application (letter) filed December 28, 1979, Atwood's Transport Lines, Inc., seeks authority to file a supplement to its WMATC Tariff No. 27 including increased rates for individually ticketed sightseeing tours involving stops at Mt. Vernon, Va., and Arlington National Cemetery. Atwood's states that the children's admission fee at Mt. Vernon has been increased 25 cents (with no increase in the admission fee for adults) and the tour service fee within Arlington National Cemetery provided by Landmark Services, Inc., has been increased 25 cents per passenger, applicable to both adults and children.

The proposed increases would enable Atwood's to pass these charges along to its customers effective January 1, 1980, when the new admissions fees become effective at Mt. Vernon and Arlington National Cemetery.

For good cause shown, the application will be granted, and Atwood's Supplement No. 1 to WMATC Tariff No. 27 will be accepted for filing effective on January 1, 1980.

THEREFORE, IT IS ORDERED that the above-captioned application is hereby granted.

BY DIRECTION OF THE COMMISSION, COMMISSIONERS SCHIFTER AND SHANNON:

GREGORY PAUL BARTH
Acting Executive Director
